

GILLAM GROUP IS MOVING PREQUALIFICATION TO COMPASS

Effective immediately, COMPASS is required for subcontractor prequalification with Gillam Group.

Gillam Group has partnered with COMPASS, a secure web-based platform that simplifies and centralizes the prequalification process.

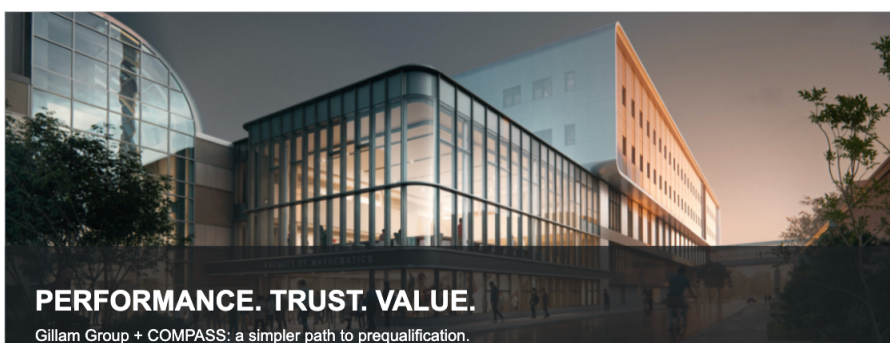

WHY COMPASS

Q1.1 Q Score Your construction credit score - the independent benchmark GC's use to assess financial capacity, operational expertise, and safety performance.	 DATA SECURITY & CONTROL Keep your financial data secure with our SOC 2 compliant platform and control who can access your sensitive information.
 REAL PEOPLE Our dedicated team is here to support you every step of the way.	 ONE & DONE Complete your 1Form once and share it with multiple GCs to stay prequalified year-round.
 FEEDBACK & TRANSPARENCY Gain insights on what's holding you back, and opportunities to improve your chances to prequalify.	 GROW YOUR NETWORK Connect with new General Contractors and get prequalified for more opportunities.

SUBSCRIPTION INFORMATION

PAID SERVICE COMPASS is a paid subscription-based service.	ALREADY SUBSCRIBED? If your company already has an active paid COMPASS subscription, no additional charge applies.
